## SHAFTESBURY CARNIVAL CHAIRMAN'S MESSAGE

Shaftesbury Carnival is back; it's been a long two years with no carnival in our town. The past two years have been difficult, and we must pause to remember those who will not be here to see the carnival in 2022. The team and I have worked very hard over the last two years to ensure the carnival returns stronger than ever to fill the streets of Shaftesbury once again with colour and smiles. The town has grown, and new residents have moved in and this for many will be their first experience of our carnival, I hope you enjoy this fantastic show. We have introduced two new bingos at Christmas and Easter and held another successful golf day, we also launched our new sponsorship raffle and I personally thank all the businesses who purchased tickets.

Carnival costs have increased into 2022 with an outlay of over £10,000 in order for the event to take place. We are now all facing the cost-of-living crisis and are looking to reduce our spending; Carnival is a free show, and I would urge you all to dig out all those pennies and hopefully pounds, for the collection carts (if you don't have cash, we now have QR codes on the collection carts and buckets). This contribution from you will allow us to keep carnival alive for years to come and continue to donate to the wonderful charities. We are also introducing a high street closure on the Saturday 1st October; carnival day, so please come to town and take advantage of the safe shopping environment, entertainment and activities.

Please enjoy the carnival week events and the parades and support where you can, in the words of my much-loved predecessor Ray Humphries "Do Best Can".

### WESSEX CHAIRMAN ANTONY STREETS

Carnival's Back!!!! It has been a very difficult couple of years for everyone. Events, Carnivals, Shows and even the Olympic Games were postponed/cancelled and this affected people in many ways. It has hit our Town Committees and competitors very hard with lack of fundraising events, sponsorships, enthusiasm and members.

I'm proud to have taken over the role as the Wessex Chairman this year. I'm under no illusion that this year is going to be hardest one ever. We haven't had a carnival for over 2 years and many people now dealing with the cost-of-living crisis, energy prices and people are counting the pennies.

Please enjoy the procession and please dig deep and support your town with donations to keep this FREE show on the road.

### REMEMBERING RAY HUMPHRIES MBE

Ray was the carnival Chairman for over 40 years. His dedication and commitment was second to none and we all knew we would have big shoes to fill. Ray and his wife Chris worked tirelessly for the entire time with a very small team to provide successful carnivals. Ray will never be replaced in carnival. This will be the first year without him overseeing the team, myself, and our endless volunteers.
